DETAILED ACTION

Information Disclosure Statement

1. The DE 7120165 document in the information disclosure statement filed 7/13/07 fails to comply with 37 CFR 1.97(d) because it lacks both a statement as specified in 37 CFR 1.97(e) and the fee as set forth in 37 CFR 1.17(p). It has been placed in the application file, but the information referred to therein has not been considered. It is specifically noted that though a concise explanation of relevance of the DE 7120165 document was submitted 10 weeks after the submission of the original document, MPEP 609.05(a) specifically states that for filings to correct a deficiency in a previous information disclosure statement, the date that the new corrections are filed will be the date for purposes of determining compliance with the requirements based on the time of filing under 37 CFR 1.97.
